### EMPLOYEE APARTMENTS

We know that affordable housing is in short supply across Germany. That's why we provide you with company-owned employee flats to give you a stable home. So you can concentrate fully on your career in the hotel industry.

### E-BIKE LEASING

We have a partner through whom we can offer all employees e-bike leasing.

### CATERING

Even on your days off, you will be well catered in our hotel for breakfast, lunch and dinner for a contribution towards expenses.

### 5-DAY WEEK

We are working on making other working time models available to you – at the moment we offer you 5-day weeks.

### -35% SPA PRODUCTS

Are the products with which you pamper the hotel guests every day also your personal favourites? We are pleased to offer you exclusive special conditions.

### -50% RESTAURANT

Would you like to show your family what your kitchen team conjures up every day? At Engel Obertal we offer you a 50% discount.

### ABOVE-TARIFF PAY

You've heard that you don't earn very much in the hotel and catering industry? Let us show you our conditions!

### SUNDAYS & PUBLIC HOLIDAY SURCHARGE

Working on Sundays and public holidays is worthwhile for you! There are also bonuses outside the 'normal' times of day.

### FLEXIBLE WORKING HOURS

Do you need a day off, completely out of the ordinary? Our employees often organise this as a team, which is why we are flexible.

### RETURNING EMPLOYEE BONUS

Have you been part of our team before and would like to be again? We would be delighted! So much so that we'll reward you with an extra bonus of €1,000 when you return.

### EMPLOYEES RECRUIT EMPLOYEES

Are you already part of our family and know someone who would be a good fit for us? If someone from your Family & Friends network is hired through your recommendation, you will receive a small bonus of €500 from us as a thank you.
