A WARM WELCOME!

We are delighted to welcome you to our newly refurbished Engel's Stuben. Let us spoil you - whether for breakfast, lunch with dishes from a small menu, in the evening with a fine menu or à la carte. We are also there for you in the afternoon, with a delicious piece of cake or a hearty snack. Whether as a couple, with family, friends or for a business dinner - we are always the right place for you.

After a great evening in the parlours, we recommend our homemade Zibärtle at our bar.

A special tip from us: Enjoy a whole day at the Day Spa on our 'Wolke 7' – simply heavenly!

We look forward to seeing you!
